FCC Statement
This equipment has been tested and found to comply with the limits for a Class B digital device pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not related and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

Reorient or relocate the receiving antenna. Increase the separation between the equipment and receiver. Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. Consult the dealer or an experienced radio/TV technician for help. This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

DK Din B00MPODS produkt er underlagt en garanti for eventuelle materiale- eller produktfejlag. Vi er påklædet, så længe at det ikke har været skillt ud og ikke lidt fysisk skade, såsom knæk eller nedskæning i vand, osv.

The device must be used in accordance with the user manual. The warranty is subject to presentation of the original invoice or receipt from the retailer and does not apply to normal wear and tear or to any device that has been misused or tampered with. It should be returned to the local service center for your area. The service center will not bear any shipping cost of the returned item.

Please check www.boompods.com for your local service center.
